RIFLE & SHOTGUN SLINGS	112-115
SCOPE COVERS	116-119
MAGAZINES	120-121
ACCESSORIES	122-123

### PRODUCTS BORN FROM EXPERIENCE AND PROVEN IN THE FIELD.

We put everything into developing the world's most innovative shooting equipment. That's because we take pride in our products and the results they give to those who use them. From our world-famous Flip-Open™ scope covers to smart ways to carry your gear and outfit your guns, we provide gear that will give you the edge. And a hunting experience like no other.

EXPERIENCE THE MOST

# COMFORTABLE SLINGS ON THE MARKET TODAY

COMFORT STRETCH® FIREARM SLINGS

Its stretchable construction and soft padding soak up the bounce you get with traditional slings – reducing felt weight up to 50% – so even the roughest hikes are smooth on your shoulder.

- Soft, flexible closed cell neoprene with Comfort Stretch backing.
- Dramatically reduces felt weight.
- Non-slip Grippers™ keep it firmly in place.
- Available in popular camo patterns, with or without Uncle Mike's® QD® Swivel sewn in.
- Alaskan Magnum includes shell holders.

COMFORT V-GRIP SLING

Up, down, over, under – wherever the hunt takes you, our new V-Grip sling holds on for the ride. Constructed with our flexible, tacky compound, it keeps your gun locked in place on your shoulder, makes it feel significantly lighter and absorbs shock better than any sling on the market.

- Advanced rubberized compound grips your shoulder like no other.
- V-grooves for extra traction.
- Absorbs shock.
- With swivels.

Black	81060

## QUICK CARRY™ AND PADDED QUICK CARRY SLINGS

React like lightning to unexpected shot opportunities with the Quick Carry Sling. It quickly converts from a carry position to a shooting sling and even permits one-handed adjustment.

- Carry over your shoulder or use as a hasty sling.
- Can be used in prone or marksman shooting positions.
- Installs quickly with no tools – includes Uncle Mike's® locking swivels.
- Built-in thumb loop
- Padded Quick Carry Slings include stretch feature for comfort
- Adjusts from 27" to 36", 1¼" wide.

Black	80091

The Padded Quick Carry Sling includes our stretch feature for enhanced carrying comfort.

## EASY RIDER™ SLINGS

A solid backing of rubberized sharkskin keeps the Easy Rider Sling solidly in place through your most active hunts. Plus, its thick, shock absorbing neoprene body cushions the weight of your firearm. It's simply the best-riding sling you'll ever own.

- Adjustable to 48" length.
- Fully bound edges and a urethane cover give it a finished look and add durability.
- Popular camo patterns in rifle and shotgun configurations.

RUGGED, WELL-BUILT

# BUTLER CREEK SLINGS FOR EVERY FIREARM.

From richly finished leather to our comfortable neoprene models, all Butler Creek slings are made to last with heavy-duty stitching and quality components. We also make a wide range of configurations to suit the needs of every hunter and shooter.

HIGHLANDER™ SLING

All the shock absorbing qualities of other Butler Creek slings with an added touch of style. Reinforced panels and finished edges give it a custom look and add durability. Ample padding reduces the felt weight of your optics.

- Quickly adjusts for any rifle.
- Non-slip Grippers™ keep it in place.
- Black available with Uncle Mike's® QD® Swivels with Tri-Lock® sewn in.

TRADITIONAL RICH LEATHER AND SUEDE

Beautifully crafted and finished to complement the finest rifles and shotguns, our leather and suede slings come in a variety of styles.

LEATHER AND SUEDE COBRA SLINGS

- Wide shoulder pad for comfort.
- Leather has tanned, top-grain cowhide in a basketweave pattern with a suede non-slip lining on upper section.
- Suede is soft, high-quality leather on both sides with western stitching.

LEATHER MILITARY SLINGS AND CARRY STRAPS

- Durable leather for years of service.
- Military has traditional two-piece construction for shooting function.
- Quickly adjusts to lock rifle against arm and body.
- Carry strap has a sliding buckle for quick adjustment to carry or use as a hasty sling.

Slings, from left to right: Padded Suede Cobra, Basketweave Cobra and Basketweave Military.

MODEL	FINISH	WIDTH	LENGTH	ITEM NO.

	Plain	1¼"	44"	26113

## RHINO RIB™ SLINGS

- Universal fit.
- Exclusive Rhino Rib at the strap.
- Ultra-Grip™ material under strap to prevent slipping.

23616	Rhino Rib with Swivels in Black
-------	---------------------------------

## ULTRA® SLINGS

The trusted choice of generations for its longevity, superior craftsmanship and carrying ease.

- Offered in popular camo patterns and black.
- Stitched, quilted shoulder pad lies flat.
- Non-slip backing keeps it in place.
- Heavy-duty buckles and keepers.
- Length: 48" (black model available in 48" and 72").

Black 48" length	26762
Black 72" length	26742

## ULTRA SLINGS WITH SEWN-IN 1" SWIVELS

The trusted choice of generations for its longevity, superior craftsmanship and carrying ease.

- Length 48".

Black	26764
-------	-------

## NYLON SHOTGUN SLING

- Loops at both ends slip over barrel and buttstock – no swivels needed.
- Length 36", width 1".

Black	26781
-------	-------

## CARTRIDGE SLINGS

Same durable construction as our padded Ultra Slings, plus elastic carrying loops that hold your ammo for easy access.

- Rifle model carries six rounds vertically.
- Non-slip lining.
- Length 48", width 1".

Rifle Cartridge Sling	26972
-----------------------	-------

All Ultra Slings stretch to reduce the felt weight of the gun.

## LEADING IN PROTECTION AND

RAPID TARGET ACQUISITION  
FOR DECADES

1

**SILENT-ACTION HINGES**

Silent-action hinges perform flawlessly in all conditions.

2

**INNER O-RING**

Inner O-ring provides airtight seal to lock out dust and moisture.

3

**ERGONOMIC BUTTON**

Ergonomic button has a non-slip surface for one-touch action.

**FLIP-OPEN™ SCOPE COVERS**

Simply the ultimate scope lens protection for hunters and shooters. They're custom fit to your scope, create a watertight, airtight seal and open with a touch of your thumb, so you can put your shot through the narrow window of opportunity in the most extreme conditions.

- Fast, flip-open design keeps your eye on the target.
- Silent spring hinges won't spook game.
- Water-tight, custom fit friction mounts anchor them to your scope.
- Air-tight semi-O-ring keeps out dust and moisture.
- Tested to -40°F.
- Truly ambidextrous.
- Weigh less than an ounce.
- Also made for spotting scopes.

Measure the outside diameter of the eye and objective ends of the scope. Fit range is .01 under to .025 over these measurements.

Refer to chart on page 167-172. If not listed, use this table.

The fast, flip-open design gets you on target in one fluid motion with a quick push of your thumb – so you never have to take your eyes off the target.

## BLIZZARD® SCOPE COVERS

Our famous Flip-Open lens cover design with clear windows for fast target acquisition at close to medium ranges.

- Lenses crafted of optical-grade polymers for optimum clarity and light transmission – the best of any see-through cover.
- Creates a weather-resistant seal.
- Ambidextrous open and close.
- Silent, spring-loaded operation.
- Tested reliable in extreme conditions.
- For objective and ocular lenses.

SCOPE DIAMETER	CLEAR ITEM NO.	COVER SIZE

Open the covers to achieve optimum brightness for long-range shots. Do not use in conjunction with reduction filters.

## MULTIFLEX FLIP-OPEN™ SCOPE COVERS

The incredible lens protection of our standard Flip-Open covers, but with additional flex in the collars to fit a wider range of scopes and the added convenience of purchasing front and rear covers together. Carry over your shoulder or use as a hasty sling.

- Same basic features and design as standard Flip-Open series.
- Tight, flexible collar provides custom fit for multiple scopes.
- Purchase by the pair – eye and objective cover provided.

Protects Combo Optics

## TINI BIKINI SCOPE COVER

Same features and performance as the original Bikini Scope cover, but made to fit shorter pistol, shotgun and red dot scopes.

19001

## BIKINI<sup>®</sup> SCOPE COVER

A highly effective lens protection system at a great price—a long-time favorite with hunters and shooters everywhere.

- One-piece, quick-clearing design.
- Two pliable rubber-like caps joined by stretch retainers to provide a tight dustproof and moistureproof seal.
- Ideal for storage, transport and field use.
- Fits riflescopes with objective bells up to 62mm outside diameter.

19000

**A22®/B22® LR & A22®/B22® MAGNUM  
25-ROUND MAGAZINES**

Get the most out of your A22 rifle with Butler Creek's A22 25-round magazine. This Savage Arms-approved magazine brings extra capacity to the rifle. The magazine can be loaded traditionally or by using the red loading assist lever on the side. It features a stainless steel spring and all metal header and feed lips for reliable feeding. A remaining round indicator on the side lets you know when the magazine is running short of rounds. Connect two magazines together for double the firepower. The A22 25-round magazine gives you more time behind the rifle, and less time reloading it.

- Anti-tilt follower
- Loading assist lever
- Metal header
- Remaining round indicator

A22 Magnum Magazine	BCA22LR25
A22LR Magazine	BCA22MAG25

**A17® 25-ROUND MAGAZINES**

Get the most out of your A17 rifle with Butler Creek's A17 25-round magazine. This Savage Arms-approved magazine brings extra capacity to the rifle. The magazine can be loaded traditionally or by using the red loading assist lever on the side. It features a stainless steel spring and all metal header and feed lips for reliable feeding. A remaining round indicator on the side lets you know when the magazine is running short of rounds. Connect two magazines together for double the firepower. The A17 25-round magazine gives you more time behind the rifle, and less time reloading it.

- Anti-tilt follower
- Loading assist lever
- Metal header
- Remaining round indicator

A17 Magazine	BCA1725
--------------	---------

HOT LIPS® 10-ROUND MAGAZINES

Put 10 rounds through your 10/22 faster than the blink of an eye and reload with amazing ease.

- Features a separately molded feed lip design made of an extremely tough, self-lubricating polymer.
- Can be hooked together to make multi-feeding mags.
- Guaranteed for all .22 LR ammo.

Clear Magazine	HL-10CL
----------------	---------

STEEL LIPS® 10-ROUND MAGAZINES

The speed and efficiency of our Hot Lips 10/22 Magazines, plus the enhanced durability and function of stainless steel.

- Ideal for serious and competitive shooters.
- Precision-cast and ground holders include a patented system to clip two or three magazines together.

Clear Magazine	SL-10CL
----------------	---------

HOT LIPS AND STEEL LIPS BANANA MAGAZINES
