

CONDOR®

2026 | PRODUCT CATALOG

BUILT FOR EVERYDAY HEROES®

Since the 1980s, Condor Outdoor Products, Inc has built its reputation amongst retailers and first responders worldwide for delivering durable, dependable gear at accessible prices.

Headquartered in Southern California, Condor has a wide range of tactical gear and apparel that includes everything from highly specialized tactical jackets, molle pouches, and backpacks to uniforms, and much more. Included is a line of military products utilizing genuine CryePrecision®Multi-Cam™ and Scorpion OCP. Our catalog grows every year as we continue to adapt and innovate to the needs of the industry.

Our products are trusted by thousands of agencies and actively deployed in over 100 countries. Each design is field-tested by first responders and outdoor enthusiasts worldwide to ensure they provide the function and durability to get the job done.

APPAREL

Durability, functional comfort, and advanced technical fabrics meets the demands of tactical professionals and everyday heroes alike.

NEW

AEGIS

WATERPROOF PARKA

SKU: 101298 | 001 | 002

Engineered for law enforcement and civilians who demand reliable protection in wet conditions. Featuring a fully waterproof shell and seam-taped construction, this parka ensures you stay dry. Its innovative coating provides a softer, more flexible feel compared to traditional hard shells, offering exceptional comfort while maintaining its waterproof durability on and off duty.

FEATURES

- Waterproof Shell with Fully Taped Seams
- Dual Water Resistant Slider Zippers with Internal & External Storm-Guard Flap
- Reflective Thermal Lining
- Twelve Pockets for Optimum Organization
- Adjustable Hook & Loop Cuffs
- PFAS-FREE DWR Coating

SUMMIT

SOFTSHELL JACKET

SKU: 602 001 002 006 018 498

Combines warmth, durability, and flexibility, making it the ultimate choice for outdoor tactical wear. Engineered to protect against wind and light rain while maintaining mobility, this jacket features a concealed tactical hood and hidden pockets for enhanced functionality. Perfect for both tactical professionals and outdoor enthusiasts, it excels in performance and versatility.

DWR PFAS-FREE

HARNESS KIT

SKU: 201151 001 002 498

Engineered for adaptability, the VAS Harness Kit serves as the base for building a chest rig tailored to your mission. Swap placards to create recon, rescue, jungle, or infantry loadouts with ease. Made from Condor's proprietary LCS material, it combines durability with a low-profile design. Adjustable harnesses, loop-lined backs for hook-backed accessories, and laser-cut MOLLE slots provide a versatile, functional platform for your gear. Works with VAS accessories and the Stowaway Chest Rig, giving you flexible options for any mission.

FEATURES

1. Adjustable Shoulder Straps with Laser Cut Slots for Equiment
2. Back Strap Panel with Hook & Loop ID Patch Field
3. QD Female Buckles (Included) for Compatible VAS Placard Panels
4. Precision Laser-Cut MOLLE for Modular Pouch Accessories
5. Loop Fields for Compatible VAS Placard Panels
6. Fully Adjustable Waist Strap

BECOME A DEALER TODAY

TERMS

- We accept Visa, Mastercard, American Express, Money Orders and Certified Check (no C.O.D.)
- To establish company check or Net Terms, completion of Condor credit application is required.
- Please allow up to 30 days for credit check. (Filling out the form does not guarantee that the terms will be approved.)

AUTHORIZED DEALER CLAIMS AND RETURNS

- No returns will be accepted without authorization. RMA# is required.
- All claims must be made within **10 days** upon receiving the goods.
- Defective goods must be received within **10 days** after the RMA# was issued.
- We cannot accept returns that are soiled, worn, that bear markings, stickers or tags not originally on the products.
- Other returns will be subject to 30% restocking fee with freight prepaid.

Condor Outdoor Products, Inc. reserves the right to serve or refuse any application.
These Terms and Conditions supersede all previous documented and undocumented terms.

CONDOR MINIMUM ADVERTISED PRICE POLICY

In order to protect the Condor Outdoor Products brand image and reputation for quality products, Condor Outdoor Products has adopted a Minimum Advertised Price Policy (MAP) for our products. This policy only concerns advertised price and in no way restricts or relates to the actual sale of any item. This policy is applicable to all forms of advertising including catalogs, mailings, consumer expo/shows, Internet and any other electronic media. This policy relates equally to all Condor Outdoor Product distributors and dealers. Retailers who advertise a related product for sale below the MAP, shall have all pending orders suspended without further notice. All decisions under this policy will be made and enforced by Condor Outdoor Products unilaterally. No warning or “second chances” will be permitted. This policy may be modified by Condor Outdoor Products from time to time. Condor Outdoor Products does not seek, nor will it accept any agreement or understanding with respect to the prices you may advertise or charge at any time.

RESALE TO THIRD PARTIES

Retailer agrees not to sell products of Condor Outdoor Products, Inc. To or through any third party websites, including, but not limited to, any on-line auction or Online marketplace/store, such as eBay and Amazon. Condor Outdoor Products, Inc. strictly enforces this policy prohibiting resale of products to third parties and will suspend all pending orders from retailers immediately for violation of this policy.

CONDOR END USER PRODUCT WARRANTY

Condor Outdoor Products Inc. Guarantees its products for one year from the original date of purchase. Apparel warranty is for 90 days. This warranty covers the product for the original owner against defects in materials and workmanship.
If the product ever fails during the warranty period due to a manufacturing or material defect, then Condor will repair or replace with like product at our discretion. This warranty does not cover damage caused by normal wear and tear, Accidents, improper use, sun damage, or the natural breakdown of colors and material over time. Clothing items must be in un-worn, un-washed condition to be eligible for warranty. To make warranty claim, End User must return to the original Authorized Condor Dealer where the item was purchased and submit original sales receipt. Dealer will then contact Condor and follow its procedures.

ADDITIONAL SERVICES

OEM INFORMATION

Since 2006 Condor has been collaborating with other companies on custom works and private labeling. Special projects in the past have included off-road gear, movie props, custom Berry Compliant tactical gear, and much more. Please follow the guidelines if you would like us to assist you with your next big project:

- Production line queue priority is not guaranteed
- Please prepare a detailed product specification sheet for review
- **1000 pc minimum** order for smaller items OR **500 pc minimum** for medium to large items
- Overseas and USA factory production is available
- For more information on how to create OEM products, please call us at **800-552-2554** or email us at **info@condoroutdoor.com**

TESTING AND EVALUATION REQUIREMENTS

At Condor, we value the rigorous feedback provided by warfighters, law enforcement professionals, and dedicated end users who put our gear to the test. Your real-world input drives continuous improvement. If you're interested in participating in our evaluation program, please submit your application by following the guidelines below:

- 50% MSRP Deposit is required for all non pre-approved T&E requests, deposit returned upon completion
- Send requests by email to **info@condoroutdoor.com** or visit our site **www.condoroutdoor.com**
- Please attach the following:
- Resume, cover letter of relevant qualifications
- Signed and returned T&E application form

SPONSORSHIP REQUIREMENTS (For product evaluation, events and team sponsorships.)

Please follow the guidelines below:
Send requests by email to **social@condoroutdoor.com**
Please attach the following:

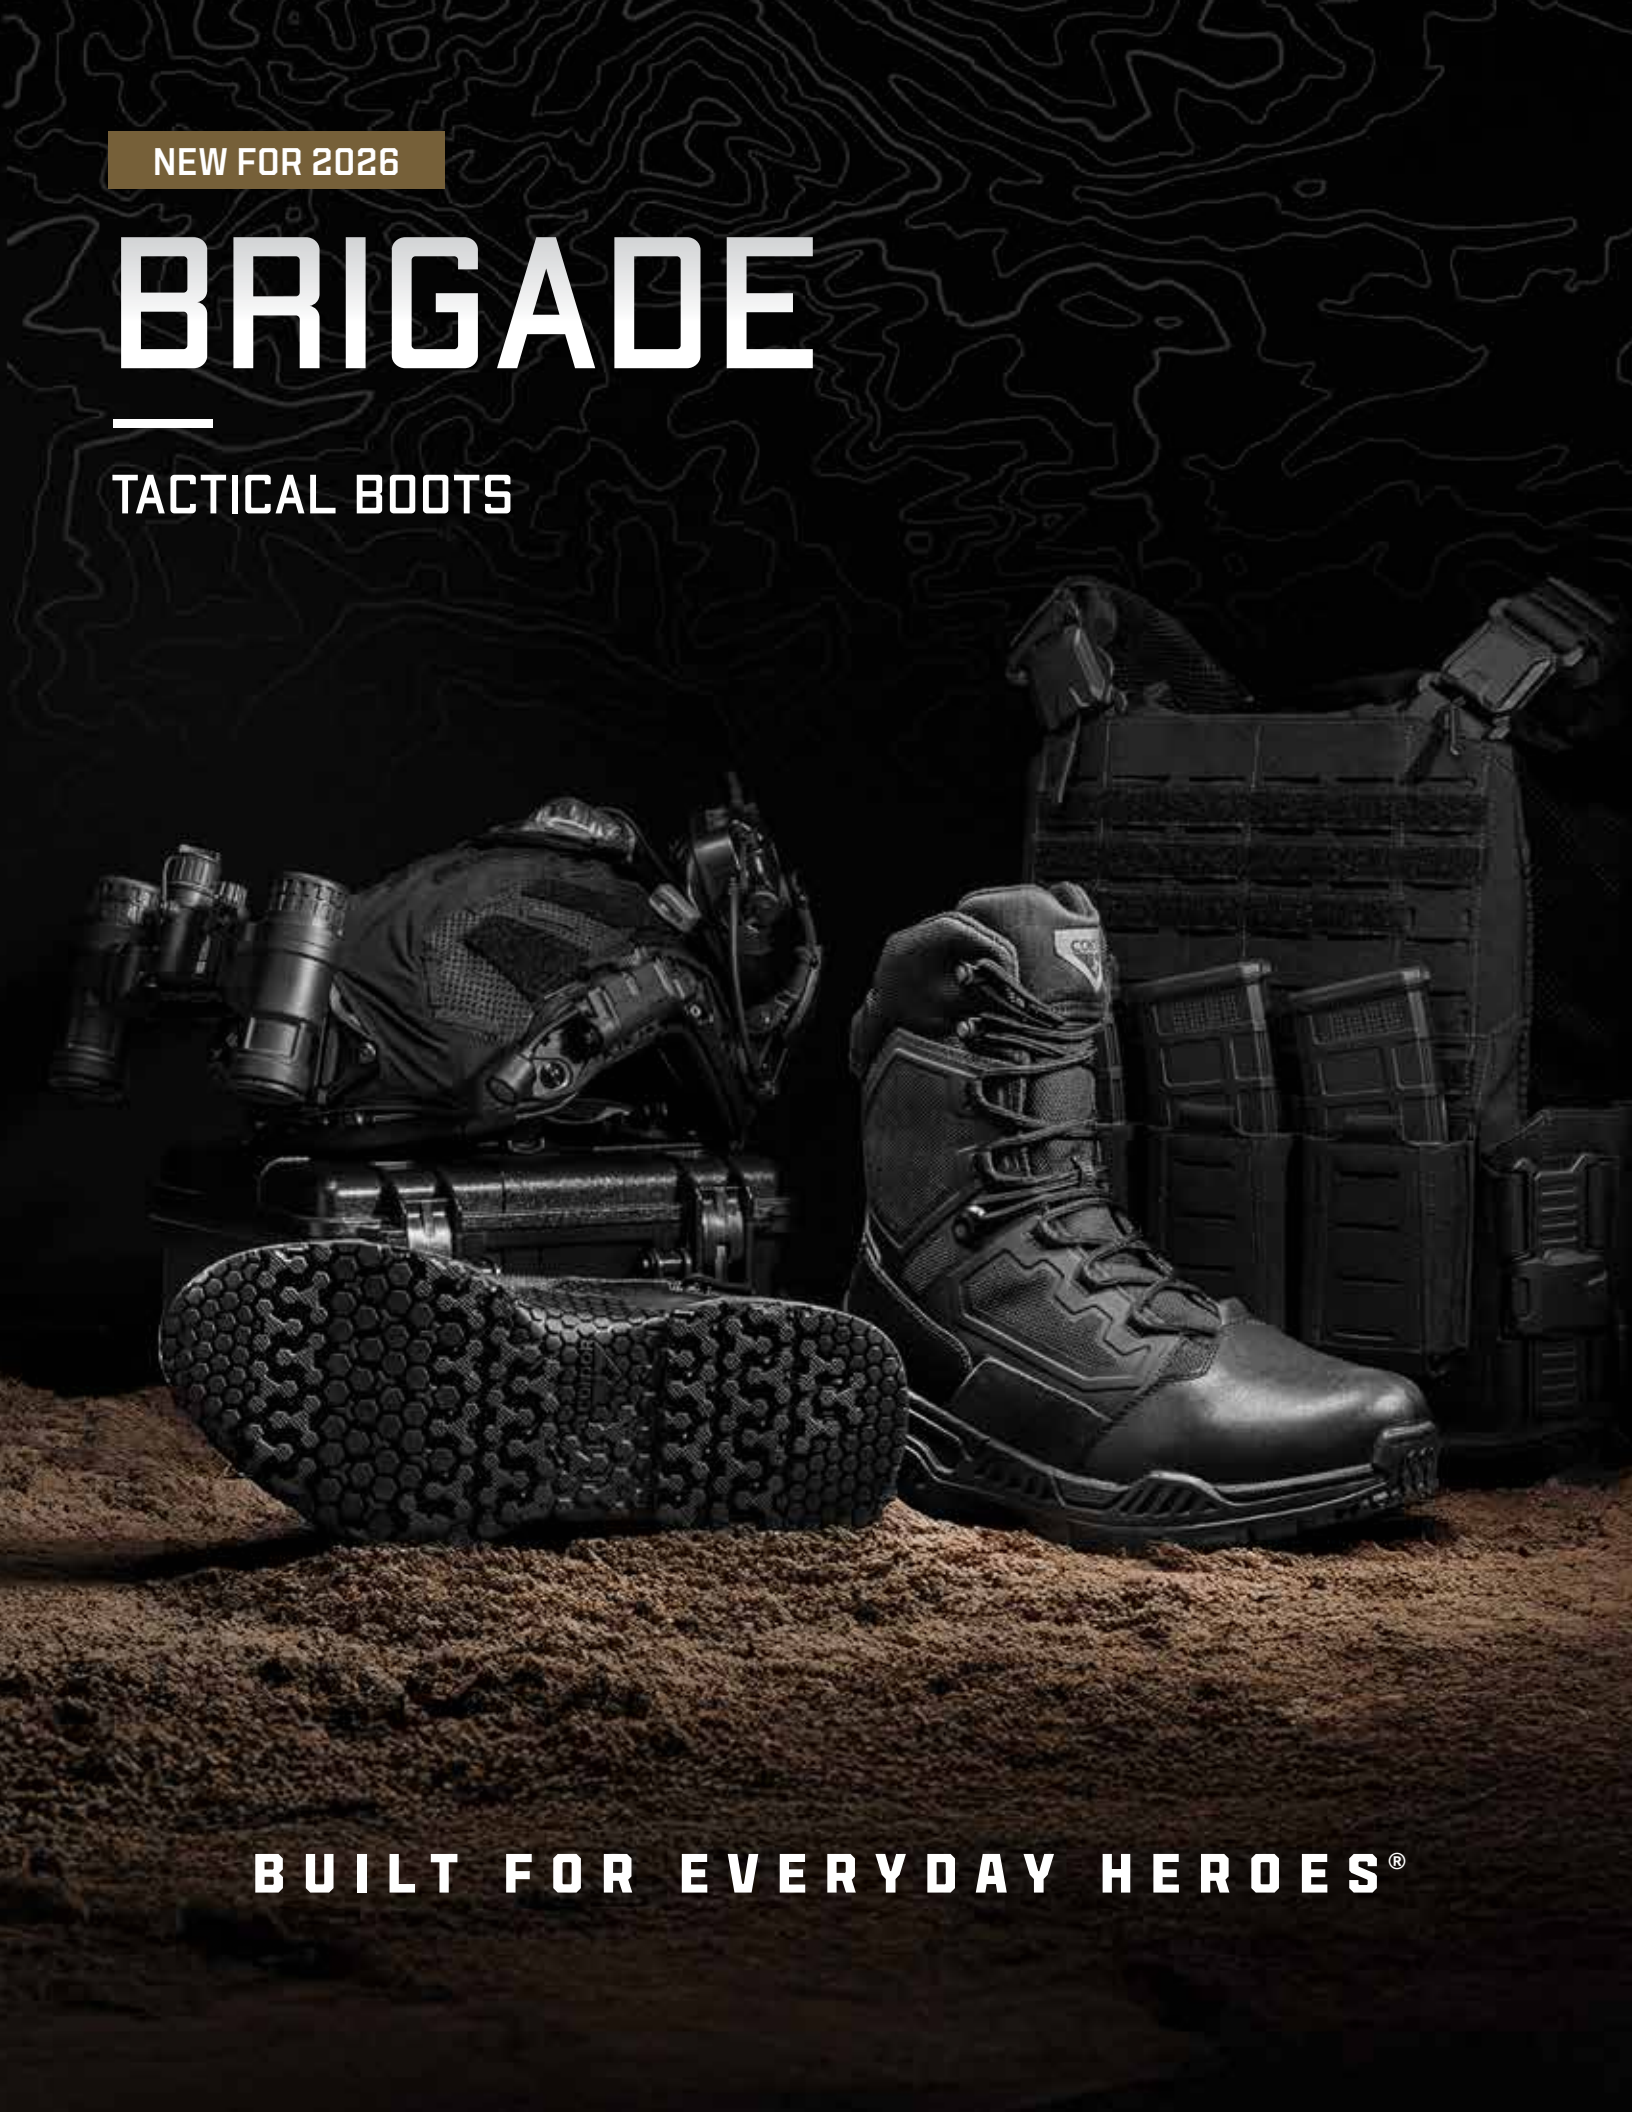

- For individuals and teams: Submit a resume or proposal, event schedule, cover letter with purpose, and ethics
- For events and media: Submit a proposal, rate card, analytics data, and a list of requested items
- If your category is not listed, please submit a complete proposal for our review
- Submitting the materials does not guarantee a sponsorship, all applications take **2-3 weeks** to review
