## 2020 NEW PRODUCT SUMMARY: RETAIL

*Micro 9 Triari shown with 8 round magazine. Must purchase separately.*

## EVO SP

Two new Select models are introduced this year, with only the most critical features, these two are no-nonsense EVO SP models. Contrasting the Select models, the Raptor Collector Edition features an attractive two-tone finish in Tru-Tan and Kimpro® II black, with all the notes that make the raptor finish so incredibly popular.
