IndoorHunter

Each of the four swinging bore targets will be turned over by hits. A hit on the middle 3cm round target will erect the hit down targets.
Colour: black Size: L50 x W22 x H20cm
ItemNo.: 87755

Stuck Target "Little Mouse"

43x22cm
ItemNo.: 185744

After the middle target of one of the Norconia stuck targets was hit, another hit on the lower target will re-erect the main, middle target.

Stuck Target "Vulture"

47x11cm
ItemNo.: 185743

Accessories / Zubehör

Mounted rifle only for demonstration purposes, no part of delivered bipod!

Bipod with ground balance

For accurate shooting, height adjustable, with ground-balancing-adjustment and Picatinny-seat, easy mounting by connection on the swivel stud (see picture left) or directly with the Picatinny-rail of the rifle (see picture below), foldable for easy carriage mounted with rifle.
ItemNo.: 162032

Bipod sand-coloured

same as 162032 but without ground-balancing-adjustment and Picatinny-seat.
ItemNo.: 155342

Shooting Tester

Collimator for aligning reticle of riflescope being mounted. Including 16 shafts for various calibers: 4mm, 5.3mm, 5.8mm, 6.2mm, 6.3mm, 6.6mm, 6.8mm, 7.4mm, 7.7mm, 8.2mm, 8.5mm, 9mm, 10.4mm, 11mm, 12.2mm - Shotguns (20-12).
ItemNo.: 101826

Gun Rest

For zeroing of rifles, bench frame made of tube steel, adjustable standing feet, height adjustable, front and rear holding forks with soft shell.

Weight: 2.1kg
ItemNo.: 155343

FHB 500

Black, flat pellets, Cal. 4.5mm (177"), 0.53g, 500 pcs. per tin, 10 tins in a box, 8 boxes in a carton.
ItemNo.: 159001

Riflescopes and Mounts / Zielfernrohre und Montagen

Characteristics of Norconia Riflescopes:

Light, metal body (tube) without mount rail, shotproof optics with special coating, centered Duplex reticles with windage and elevation setting, protected by screw-on caps. Focussing: hold main tube and adjustment ring with your left hand and turn eye piece with your right hand to the left. When focus is correct, tighten adjustment ring. Gradual magnification change on the variable riflescopes by turning the ring on the eye piece.

**includes two piece mount.
H = High Mount, allows the
use of iron sights.*

Binoculars / Ferngläser

Norconia binoculars are manufactured with the highest quality optics using MC-coating (multicoat for maximum light transmission, high resolution, and peak performance). Special twist-up eye cups are provided for ease of use by eyeglass wearers. Each binocular includes soft durable rubber armoring and comes complete with carrying case and neck strap.

CLASSIC LINE

For those who prefer traditional styling. Reasonable priced, internationally approved quality. Plastic body, center focussing wheel, rubber eyecaps, adjustable for use with or without glasses. Improved optics with special adjustment, wide field of view and perfect performance. Compact and easy to carry. All binoculars with carrying case.

Company Profile / Firmenprofil

Norconia GmbH with its headquarters in Rottendorf/Germany was founded in 1988. For 32 years, Norconia belongs among others to Norinco, the largest and leading firearms manufacturer in China. Norinco firearms stand out due to their reliable functionality, reasonable workmanship and excellent prices. Being a sole agent for Norinco in Europe, Norconia GmbH has a large warehouse with sufficient stock in Germany. Thus, Norconia GmbH offers dealers in Germany and abroad fast delivery, 2 years warranty and after-sale-service, including spare parts. Norconia's range of products includes pistols, shotguns and rifles for shooting and hunting. Moreover, Norconia offers a broad range of airguns, accessories, as well as aiming and observing optics at excellent prices and annually exhibits their new products at the IWA Outdoor Classics, Europe's major specialized fair. The next IWA is going to take place from 6th - 9th March 2020. Please visit us in hall 7, stand 7-532.

Norconia GmbH mit Sitz in Rottendorf/Deutschland wurde 1988 gegründet und gehört seit 32 Jahren u. A. zu der Firma Norinco, dem größten und führenden Waffenhersteller Chinas. Norinco Waffen zeichnen sich durch zuverlässige Funktionalität, vernünftige Verarbeitung und exzellente Preise aus. Als Alleinvertreter von Norinco in Europa verfügt Norconia GmbH über ein großes Lagerhaus in Deutschland mit ausreichendem Warenbestand. Somit bietet Norconia dem Fachhandel, sowohl im Inland, als auch im Ausland, schnelle Lieferung, eine 2-Jahres-Garantie, sowie einen after-sale-service mit Ersatzteilen. Das Norconia Produktsortiment umfasst Pistolen, Flinten und Gewehre, sowohl für den Schießsport, als auch für die Jagd. Darüber hinaus führt Norconia ein umfangreiches Programm an Luftgewehren, Zubehör, preiswerter Ziel- und Beobachtungsoptik und stellt seine Neuheiten jedes Jahr auf der IWA Outdoor Classics aus, der bedeutendsten Fachmesse Europas. Die nächste IWA findet vom 06. - 09. März 2020 statt. Wir freuen uns auf Ihren Besuch in Halle 7, Stand 7-532.
